On behalf of the organizing committee of The First International Conference on Environmental Management and Technologies – ICEMT 2010, I would like to thank you for participating in the International Scientific Committee of the conference, which was organized by The Built Environment Research Unit at Al Athheen for Specialized Research in collaboration with The Center for the Study of Architecture in the Arab Region, Jordan. The conference was held at the Le Meridian Hotel, Amman, Jordan in the period 1-3 November, 2010.

We value your expertise and appreciate your participation in the peer review process. Your active participation and scholarly comments added a lot to the event. The conference was a success as a result of the participation of high profile scholars as your kind person.
